Support our Crowdfunding Campaign

A mirror image for every child

www.startnext.com/kulkids

Why this project?

We would like all children to find a mirror image in books, toys and media for borderless creativity.

All kids need representation

- **Klix-Books**: Innovative, multilingual books with exchangeable figures.

- **Kids Diversity Box**: Carefully compiled books, toys, dolls, plasters, colouring pencils, educational books and other material for prejudice-conscious education.

- **KuL-Kurs**: Courses based on Design Thinking to empower, inform and educate on diversity issues.

Support us until 10th June 2019
